Where the Black Facts Minute Videos Appear

1. BlackFacts Home Page (<https://blackfacts.com/>)

The screenshot shows the BlackFacts.com homepage. At the top, there's a navigation bar with links like Home, About Us, Marketplace, Wakanda News!, Videos, Featured, Just the Facts!, and Feedback. Below the navigation bar, there's a banner for "Black Facts Minute" with a video player showing a clip about Thurgood Marshall. The video player has a red header "BlackFacts Minute: June 13" and a white body with the text "FACT OF THE DAY JUNE 13, 1967 THURGOOD MARSHALL NAMED THE FIRST AFRICAN AMERICAN COURT'S JUSTICE". To the right of the video player, there's a sidebar with a newsletter sign-up form and a "Get the Facts!" button. Below the video player, there's a section for "Black Facts for June 13th" with a list of facts, including "1967 - 1st Black Supreme Court Justice".

5. BlackFacts Minute YouTube Playlist (<https://links.blackfacts.com/blackfacts-minute-videos>)

The screenshot shows a YouTube channel page for 'BlackFacts Minute'. The left sidebar contains navigation links: Home, Explore, Subscriptions, Library, History, Your videos, Watch later, Liked videos, and Show more. Below these are 'SUBSCRIPTIONS' and 'MORE FROM YOUTUBE' sections. The main content area features a video player with a thumbnail for 'BlackFacts Minute' and a description: '141 videos • 12 views • Updated today', 'Public', and 'BlackFacts.com Presents Video Library of Unique Daily Black History Facts, Figures, Events - Told in 1 Minute or Less.' To the right of the video player is a list of 12 videos, each titled 'BlackFacts Minute: June [date]' and 'blackfacts', with a duration of 1:15 to 1:29.

The screenshot shows the Microsoft Azure Storage Explorer application. The interface is divided into several sections:

- Top Bar:** Contains the application title "Microsoft Azure Storage Explorer" and standard Windows window controls (minimize, maximize, close).
- Left Sidebar:** Features a "Collapse All" button and a "Refresh All" button. Below these is a tree view of the storage account structure:
 - Visual Studio Enterprise Subscription (ken@t)
 - Storage Accounts
 - blackfactsblobstorage (Blob)
 - Blob Containers
 - ads

 - blackfactssqlbackups
 - blackfactswidgets (Blob)
 - wakandacontainers
 - Disks
 - blackfacts-resources
 - Cosmos DB Accounts (Deprecated)
 - Data Lake Storage Gen1 (Preview)
- Top Command Bar:** Contains icons for Upload, Download, Open, New Folder, Select All, Copy, Paste, Clone, Delete, Undo, and More.
- Breadcrumb Bar:** Shows the current path: uploads > blackfacts > opengraph. It also includes a "Show Filter Panel" button.
- Main Blob List:** A table displaying the contents of the 'uploads' container. The columns are Name, Access Tier, Access Tier Last Modified, Last Modified, Blob Type, Content Type, and Size. The first row, '0101.jpg', is selected.
